A photograph of a waterfall cascading down a dark, rocky cliff face in a lush forest. Sunlight filters through the dense canopy of green leaves and branches, creating bright highlights on the water and the surrounding foliage. The waterfall is the central focus, with water falling from the top right and flowing down towards the bottom left.

8m滝1

8m斜瀑2

A photograph of a waterfall in a forest setting. The waterfall flows down several tiers of dark, mossy rocks. Sunlight filters through the trees in the background, creating bright highlights on the rocks and water. The surrounding area is dense with green moss and fallen leaves.

6m斜瀑

4m斜瀑1

A photograph of a waterfall in a dense forest. The waterfall flows down a rocky slope covered in vibrant green moss and ferns. The water cascades over several levels, creating white foam at the base. Sunlight filters through the surrounding trees, casting dappled light on the scene. In the foreground, a large tree trunk is partially visible on the left.
