A photograph of a waterfall in a lush, green forest. The waterfall flows from a rocky cliff face covered in thick moss and vegetation. The water falls in multiple streams, creating white spray as it hits the rocks below. The surrounding environment is dense with trees and foliage.

3m滝

A photograph of a waterfall cascading down a rocky cliff face in a lush, green forest. The water flows from multiple points on the upper rock formation, creating a misty spray at the base. The surrounding environment is dense with trees and foliage, with moss growing on the rocks. In the bottom right corner, the text "8m滝" is overlaid in red.

8m滝

A photograph of a waterfall in a dense forest. The waterfall flows from a rocky ledge covered in green moss and algae down into a pool of water. A large, fallen tree trunk lies horizontally across the upper part of the waterfall. The surrounding area is filled with dark, leafy trees and branches.

2m滝1

A photograph of a waterfall in a lush, green forest. The waterfall flows down a dark, mossy rock face into a pool of water at the bottom. The surrounding area is filled with trees and foliage.
