8m滝

A photograph of a waterfall cascading down a rocky cliff face in a dense forest. The water flows from a narrow opening in the rock, creating a white spray at the base. The surrounding area is covered in various shades of green, with ferns, moss, and other forest vegetation. The lighting is natural, filtering through the canopy above.

小ゴルジュ状

A photograph of a small waterfall in a dense forest. The waterfall flows down a dark, mossy rock face. A large fallen tree trunk lies across the upper part of the falls. The surrounding area is filled with green ferns and other forest vegetation.

2m滝4

A photograph of a lush, mossy forest scene. A small waterfall cascades down a rocky cliff face covered in vibrant green moss. Sunlight filters through the dense canopy of trees, creating bright highlights on the rocks and moss. A large fern frond is prominent in the lower-left foreground. The ground is covered with fallen leaves. In the bottom right corner, there is red text overlaid on the image.
